Why Donate

The Campaign is a three year effort to raise \$200,000 to ensure the future of educational programs for Marais des Cygne 4-H youth.

Endowment fund earnings will continue support of numerous educational programs and opportunities for participating youth, while limiting the need for event fundraising and grant writing.

Support of camps and clinics provides educational learning and leadership experiences for all participating youth and leaders. The Cloverbud meetings reach our youngest 4-H'ers, while 4-H at the Library provides community outreach. The training of volunteers ensures that the 4-H'ers have a safe environment for learning.

Through your contributions the foundation will be able to continue to fund youth programming for future generations.
